

# Wanis View Estates Homeowners Association

October 14, 2015

To: Wanis View Estates Homeowner:

Subject: Adoption of Portable Basketball Structure Rule

The Board of Directors approved the portable basketball structures use and storage rule at their September 29, 2015 meeting.

The newly adopted rule reads as:

*“Owners may apply for a variance for storing portable basketball structures allowing portable basketball structures to be stored in an Owner’s side yard or adjacent to the side yard gate when not in use. This variance is contingent upon the Owner obtaining and submitting to the management company written approval of such storage from the two neighbors on the Owner’s right, two neighbors on Owner’s left, and the four neighbors directly across the street. For the variance to be approved, all eight neighbors must approve the Owner’s request.”*

**Please file this approved Resolution with your set of Rules & Regulations.**

Thank you,  
On behalf of the Wanis View Estates Board of Directors
